

The following are specific additional EYFS requirements:

The School EYFS Department ensures that the safeguarding policy which applies to the rest of the school also applies to the EYFS.

- We inform Ofsted immediately (on the same day), or as soon as is reasonably practicable, but certainly within 14 days, of any allegations of serious harm or abuse by any person living, working or looking after children at the premises (whether that allegation relates to harm or abuse committed on the premises or elsewhere). This could include any other abuse which is alleged to have taken place on the premises, and of the action taken in respect of these allegations.

Children learn best when they are healthy, safe and secure, when their individual needs are met, and when they have positive relationships with the adults caring for them. In the Early Years Department of our school we ensure that we have:

- a designated practitioner, referred to as the Designated Safeguarding Lead (DSL) to take lead responsibility for safeguarding children, including liaison with Redbridge LSCB children's services as appropriate. Our Designated Safeguarding Lead for EYFS is Alison Carey-Jones who has also completed child protection training at Level Three which is multi-agency, which is refreshed at least every two years.
- We take all the necessary steps to keep children safe and well, as detailed in the following procedures.
- We ensure the suitability of adults who have contact with children, we promote good health, manage behaviour well, maintain very good records, policies and procedures accordingly.
- We report all allegations of serious abuse or harm by any person living, working or looking after children, including notification to /Ofsted, and our local child protection agency, within 14 days of the allegations being made, as well as serious accidents, illnesses and injuries sustained by any child in our care. We are fully aware that not to do so would be committing an offence.
- We fully comply with the ratio and qualification requirements applicable to each age range of children in keeping with the Statutory Framework for EYFS September 2014
- We meet our responsibility under the Safeguarding Vulnerable Groups Act 2006 which includes a duty to make a referral to the DBS where a member of staff is dismissed (or would have been, had the person not left the setting first) because they have harmed a child or put a child at risk of harm.
- We will inform Ofsted of any significant event which is likely to affect the suitability of any person who is in regular contact with children on our EYFS Eastcourt Independent School premises, including any disqualification.
- We ensure that we support staff to undertake appropriate training and professional development opportunities to ensure they offer quality learning and development experiences for children that continually improves.
- All our paediatric first aid training is relevant for workers caring for young children.
- We comply with requirements of health and safety legislation including fire safety and hygiene.
- We ensure that our premises, including floor space and outdoor spaces, are fit for purpose and suitable for the age of our children cared for, and the activities provided on the premises.
- We do not allow smoking in or on our premises.
- We ensure that we take all reasonable steps to ensure staff and children in our care are not exposed to risk and we are able to demonstrate how we are managing risks.

- What will be included within the risk assessment: aspects of the environment that need to be checked on a daily basis, and when and by whom they will be checked.

Supervision

Providers must put appropriate arrangements in place for the supervision of staff who have contact with children and families. Effective supervision provides support, coaching and training for the practitioner and promotes the interests of children. Supervision should foster a culture of mutual support, teamwork and continuous improvement which encourages the confidential discussion of sensitive issues.

Supervision should provide opportunities for staff to:

- Discuss any issues – particularly concerning children's development or well-being;
- Identify solutions to address issues as they arise;
- Receive coaching to improve their personal effectiveness.

A written policy may support your staff team in delivering this requirement:

24) We have a policy which relates to supervision and it includes:
